

2026 Dr Pepper® New Availability Incentive Program Terms and Conditions

Eligibility:

2026 Dr Pepper® New Availability Incentive (the "Program") is open to eligible*, independent store or restaurant owners or general manager(s) that buy and manage inventory for store or restaurant location(s) (each an "Operator", collectively "Operators") that have an existing fountain beverage machine (each a "Machine") capable of distributing Dr Pepper® or any of the Sponsor's "New Availability Incentive" fountain beverages to consumers (each an eligible "Dr Pepper Fountain Valve" and "New Availability Incentive Fountain Valve") prior to the start of the Program Period. Operators must also be legal residents of the 50 United States (including D.C.) and 18 years or older at the time of participation. The Sponsor is Dr Pepper/Seven Up, Inc. Void where prohibited.

*To qualify, each Operator must continue to be an active store or restaurant owner or active general manager of said store(s) and restaurant(s) in good standing at the time the Offer is awarded and must fulfill all requirements set forth in these Terms and Conditions.

Timing:

Program begins on January 1, 2026 at 12:00 a.m. Eastern Time ("ET"), ends on January 15, 2027 at 11:59 p.m. ET (the "Program Period") and consists of 2 phases (each a "Phase") as set forth below.

Phase	Start Date at 12:00 a.m. ET	End Date at 11:59 p.m. ET
1 – Make a Qualifying Purchase	January 1, 2026	December 31, 2026
2 – Redemption	January 15, 2026	January 15, 2027

Administrator's computer is the official time-keeping device for the Program.

How to Participate in the Program:

Add Dr Pepper® Fountain Valve(s) to Machines and keep your invoice. During Phase 1, there are 2 options:

Operators that Do Not have Dr Pepper® and add to the Applicable Machine: Follow the standard process to add Dr Pepper® Fountain Valve(s) to your Machine.

Machine Operators that Have Dr Pepper® and Add Diet Dr Pepper®, Dr Pepper® Zero Sugar, or a New Availability Incentive Beverage to the Applicable Machine: Follow the standard process to add a New Availability Incentive beverage to your Machine. See Appendix A for a complete list of eligible New Availability Incentive beverages.

Exception: The only exception to the above is if an Operator does not have a Machine in a restaurant or store that can distribute Dr Pepper® or any of the Sponsor's New Availability Incentive fountain beverages to consumers.

Limit: Rewards are per location, not per fountain.

Regardless of the newly added Fountain Valve, be sure to keep your invoice/proof of purchase. Your invoice(s) must be dated during Phase 1. Take an image of the entire invoice. Images of physical and digital invoices will be accepted. The invoice image must be clear and legible; be in .jpg or .pdf format; not to exceed 10MB in size; and include the "operator name and address", the "invoice date", the "date of purchase for the Fountain Valve," the "name of the Dr Pepper® brand added", the "restaurant location/name", and "name of the bottler/distributor". Then, have it available when you complete all instructions as outlined in "How to Redeem your Offer(s)" below. Just by adding an eligible Dr Pepper®, Diet Dr Pepper®, or Dr Pepper® Zero Sugar Fountain Valve and/or New Availability Incentive Fountain Valve(s) does not guarantee fulfillment of the Offer. You must complete all instructions as outlined in "How to Redeem your Offer(s)" below.

How to Redeem your Offer(s):

During Phase 2, if you are eligible and complete all requirements, as outlined in herein, you may proceed with the following: visit KDPIncentive.com and follow the links and instructions to complete and submit the registration including a valid email address. Where prompted, follow the instructions to upload an image of your invoice. Each invoice can only be uploaded once. Once the Administrator validates your invoice image, you will receive one (1) of the following:

Operators who upload a valid invoice with proof of adding a Dr Pepper® Fountain Valve or other specified New Availability Incentive Beverage (see Appendix A) will receive one (1) \$100 prepaid card ("Dr Pepper Offer" or "New Availability Incentive Beverage Offer"). Approximate Retail Value ("ARV"): \$100.

Operators who upload a valid invoice with proof of adding Diet Dr Pepper® or Dr Pepper® Zero Sugar will receive (1) \$200 prepaid card per eligible valve added ("Diet Dr Pepper® Offer" or "Dr Pepper® Zero Sugar Offer") ARV: \$200.

Collectively, or generically, Dr Pepper® Offers, Diet Dr Pepper® Offers, Dr Pepper® Zero Sugar Offers, and New Availability Incentive Offers are referred to as an "Offer", herein.

Your use of the prepaid card is governed by the Cardholder Agreement, and some fees may apply. This is not a gift card. Please note that prepaid cards are subject to expiration, so pay close attention to the expiration date of the card. Terms and conditions received with delivery of pre-paid card apply.

Limits and Restrictions:

Each Operator may receive 1 Offer per Fountain Valve for each eligible location (up to 10 eligible locations owned by the same Operator) with a maximum of \$1,000.00 in Offers during the Program Period. Multiple participating Operators are not permitted to share the same email address. Any attempt by any participating Operator to obtain more than the stated number of Offers by using multiple/different email addresses, identities, registrations and logins, or any other methods will void that participating Operator's Offer and that participating Operator may be disqualified. The Offer will be fulfilled approximately 12-24 days after receipt validation but no later than 8-10 weeks after the conclusion of the Program Period.
